

# Gossamer Down

## WHITE DORPERS

### Genuine Complete Dispersal

The principals of Gossamer Down, Geoff & Sue Patrick are retiring from farming and dispersing their Dorper Stud and selling their property "Cullenya" Gwabegar NSW.

Gossamer Down's production driven focus over ten years has resulted in it having the **top White Dorpers in Lamb Plan** and a history of excellent sale results. The Stud is Dermatospaxis free, Brucellosis accredited and situated in a Johnes exclusion zone.

The sheep have been classed at least annually since 2004 and the entire flock was classed in early 2012 and consists of **600 Stud Ewes 40% Type 5, 60% Type 4**, in excess of **200** stud quality ewe lambs plus **100** stud quality ram lambs and **150** commercial quality ram lambs.

The property is 4500 acres with all new fencing and 1200 acres of sub-tropical pastures, has new steel sheep yards as well as an older set, steel cattle yards, large machinery shed, hay shed and a modern 4 bedroom plus office home.

Expressions of interest will be received up to 14/2/2012 for:-

**A** Property, Sheep Flock, Stud Name & Prefix, all records back to 2000 on a walk in walk out basis

OR

**B** Sheep Flock, Stud Name and Prefix, all records back to 2000.
